

SAN DIEGO REGIONAL WATER POLLUTION CONTROL BOARD

3441 University Avenue
San Diego 4, California

RESOLUTION 54-RL

A Resolution Pertaining to Requirements
for the Discharge of Cooling Water from the San Diego
Gas and Electric Company Engine Station into the Pacific Ocean

WHEREAS, On December 15, 1953 the San Diego Gas and Electric Company, in compliance with Section 1305^{1/2}, Water Code, State of California, filed with this Board a Report on Proposed Waste Discharge wherein is proposed the discharge of cooling water from the Engine Steam Electric Generating Station into the Pacific Ocean in the vicinity of Agua Hedionda Lagoon; and

WHEREAS, The aforesaid Report on Proposed Waste Discharge states that the proposed discharge of cooling water will consist only of ocean water with no appreciable alteration of its quality except for a 10 to 15 degree Fahrenheit rise in temperature; and

WHEREAS, This Board has caused the staff of the Board to investigate the aforesaid discharge of cooling water and said staff has determined that the aforesaid statements of the San Diego Gas and Electric Company are accurate; and

WHEREAS, The Department of Fish and Game, State of California, in a memorandum dated February 2, 1954, advises that, as proposed, the discharge should have no effect on fish or aquatic life; and

WHEREAS, This Board, after review of the aforesaid Report on Proposed Waste Discharge and report of its staff and other pertinent material, finds that no beneficial use of the waters of the State is likely to be adversely affected and/or no nuisance is likely to be created by the aforesaid discharge of cooling water,

NOW THEREFORE BE IT RESOLVED, That this Board has no requirements to prescribe at this time as to the nature of the aforesaid discharge of cooling water.

BE IT FURTHER RESOLVED, That the San Diego Gas and Electric Company be notified that requirements will be prescribed by this Board for the aforesaid discharge of cooling water only when it appears that a pollution or nuisance exists or threatens therefrom.

BE IT FURTHER RESOLVED, That the San Diego Gas and Electric Company be notified that any significant change in the nature of the aforesaid discharge shall be promptly reported to this Board.

VOTE

BE IT FURTHER RESOLVED, That a certified copy of this resolution be forwarded by mail to an authorized officer of the San Diego Gas and Electric Company and to such other agencies and persons who may have need thereof or who may request same.

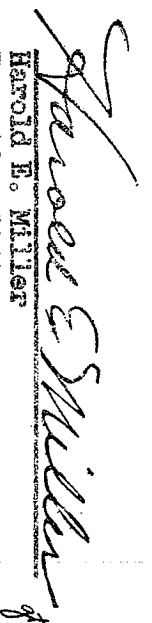

Adopted this 30th day of March 1954 by the following vote:

Aye 4 No 0 Absent 1.

/s/

Paul Beerman, Acting Chairman

I hereby certify that the above and foregoing is a full, true and correct copy of Resolution 54-R1 of the Water Pollution Control Board, San Diego Region #9, State of California, passed and adopted by said Board on March 30, 1954.

Harold E. Miller
Executive Officer
